

Awning Organiser

Fits Kampa AccessoryTrack®

The Awning Organiser is designed to fit to the AccessoryTrack® fitted to certain Rally and Fiesta awnings. It will also fit other awnings that are fitted with an internal track designed to accept bracket pads.

Fitting Instructions

It is easier to fit the organiser to your awning before setting the awning up.

1. Locate the dark grey AccessoryTrack® on the inside of your awning next to the awning keder.
2. Slide the plastic clips, located at the ends of the two webbing straps, onto the AccessoryTrack®. Ensure that the pockets are facing towards the front of the awning.
3. Set up awning.
4. Slide the Organiser to your desired position and peg down and tension the two straps at the bottom of the organiser.

DO NOT OVERLOAD THE ORGANISER.

Once installed the Organiser can be left in the awning.

The Kampa Awning Organiser is designed to fit the following Kampa awnings:

- Rally Air from 2014
- Rally Pro from 2014
- Rally Ace from 2014
